

Holding your event in a covid secure location – why Sutton Hall?

- Located in a quiet semi-rural location so the risk of third-party interaction is minimised
- Large car park allows distancing and contact management
- Large hall can accommodate up to 40 people in a socially distanced setting - [see photos of example layouts](#)
- One way system with separate entry & exit
- Hand sanitisers installed at entry, exit, kitchens and toilets
- Choice of paper towel or air hand drying
- Automatic fire door closers installed to minimise touch points
- Cleaning cloths and sprays provided
- Fresh air ventilation
- Chair rotation system in place allowing up to 3 days between each use reduces risk of infection
- NHS track & trace QR codes utilised
- Clear signage through out on safe numbers in each area
- Thorough risk assessments completed using national recommended models
- Model risk assessments provided to all hirers to assist in managing your event safely
