THE Grapevine

SUPPLEMENT

CHEESE AND WINE TASTING

The Village Hall Committee is delighted to announce another evening of sampling some superb cheeses and white wines starting at 8pm sharp on Friday 12th November in the Village Hall.

The plan this time is to meet in person in the Village Hall and we will have tables and chairs out. All the cheeses, wines, cheese biscuits and other nibbles will be provided and this time Tony and Kathy Hersh will be introducing you to generous quantities of 5 special cheeses and 5 white wines for you to sample.

Like the previous cheese and wines evenings we are using this event to raise money for Sutton Hall. Tickets must be bought in advance and the deadline for purchasing tickets is Friday 5th November. However we would like people to sign up as soon as possible to ensure we have enough people coming to make the event viable. To join this event please send an email to tonyhersh@hotmail.com and make a payment of a minimum of £25 per person either via bank transfer to :

Sutton Hall

Account number : 02958398

Sort Code : 30-95-89

Using a reference "WINE
and your surname"

Or post a cheque payable to
Sutton Hall through the
letterbox of Wenlock House,
Stockcross (near the bus
shelter in the village).

TELESCOPE AND STAR GAZING EVENING

BEGINNERS ASTRONOMY EVENINGS

We are delighted to announce that Newbury Astronomical Society will start holding their Astronomy meetings for people with no previous knowledge of Astronomy in Stockcross Village Hall on the third Wednesday of every month at 7.00pm starting in January. Everyone of all ages are welcome to come along and you don't have to be a member of NAS to attend. Cost is £2 per meeting paid when you arrive and hot drinks and doughnuts are included in the interval ! Each month there are a several short presentations on a variety of themes to give people more knowledge about astronomy such as stars, planets and what you can see in the sky each month.

NAS is also holding an event on Wednesday 10th November in the Village Hall which will be a practical workshop session starting at 7.30pm when there will be lots of telescopes available and a presentation on the pros and cons of the different types of telescopes available. If it's clear we will also have observing so you can look through the telescopes at whatever stars and planets happen to be in the sky that evening. It will be a perfect event if you are thinking of buying a telescope for Christmas or if you want to learn more about the constellations in the night sky and look through some telescopes. Again everyone is invited of all ages and it costs just £2 per person.

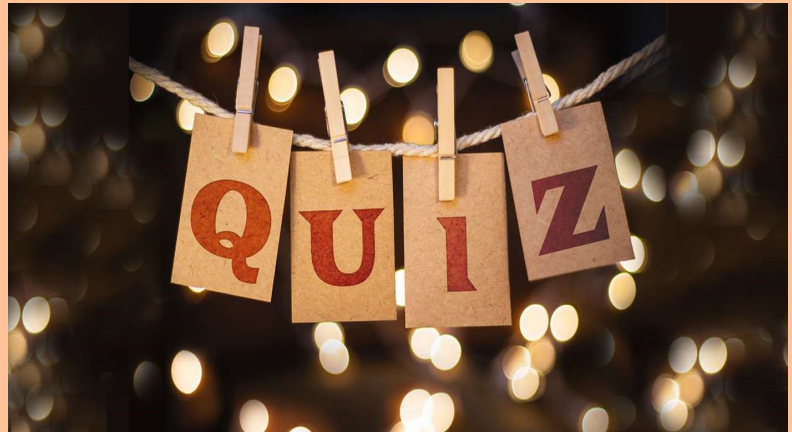

No pre booking is needed for any of these events so just note the dates in your diary and come along !

We bought our defibrillator in 2017, raising money for it via a Village Lottery and it's been sitting in the entrance to the Village Hall ever since. We had a face to face training session in August 2017 to show people how to use it but the Village Hall Management Committee thought it might be useful for people to see a refresher video of how to use it. It's actually very simple and once you switch it on a recorded voice in the machine tells you exactly what to do.

We hope you find this short video useful

There are three resources we use during our training, all three would be good to look at. Before I list them they may show mouth-to-mouth CPR which under normal circumstances we would promote. However please be aware under Covid-19 the recommendations have changed to hands-only CPR. Please see Resus UK for more information (and a video):

<https://www.resus.org.uk/covid-19-resources/covid-19-resources-general-public/resuscitation-council-uk-statement-covid-19>

The CPR videos we use with the schools:

<https://www.bhf.org.uk/how-you-can-help/how-to-save-a-life/how-to-do-cpr/cpr-training-videos>

The more detailed videos, ones we use for community training:

Difference between Heart Attack and Cardiac Arrest - <https://www.bhf.org.uk/informationsupport/heart-matters-magazine/medical/heart-attack-and-cardiac-arrest>

Various videos, CPR, Heart Attack, etc. - <https://www.bhf.org.uk/how-you-can-help/how-to-save-a-life/cpr-training-in-communities/heartstart-communities/heartstart-training-videos-for-communities>

Once you are happy you can test your skills with Life Saver - <https://life-saver.org.uk/> - which you can do on their website or download an app for your tablet/phone.

THE SUTTON HALL

POP-IN-PUB

Join us from 7pm Friday 22nd October for the return of The Pop Inn at the Sutton Hall, Stockcross. We will be serving drinks until 10pm so come along for a much needed catch up with neighbours and friends. Please be reassured that we will follow all the

COVID guidelines. Tables will be well spaced out and if weather permits the garden will be open. To keep things simple we will not be serving food on this occasion. We look forward to seeing you!

Support Sutton Hall

Shop at smile.amazon.co.uk and we'll donate to your favourite charitable organisation, at **no cost to you**.

Start shopping

Pick a different charity

Amazon donates 0.5% of the price of eligible purchases.

Hi everyone, the hall has been invited to participate in the Amazon smile programme. This means that the hall will receive a donation from Amazon every time someone makes a purchase through smile.amazon.co.uk (this has the same product range and prices as the main amazon website) When making a purchase just select Sutton Hall from the list of charities and make your purchase as usual . Please see the link below

<https://smile.amazon.co.uk/ch/1071688-0>

So, if you are shopping on Amazon please do it through [Smile.amazon.co.uk](https://smile.amazon.co.uk) - you will be helping the hall .

SUTTON HALL, STOCKCROSS

Become A Friend Of The Sutton Hall

We're looking for volunteers who can help with running events. This might be setting up the Pop Inn, doing a shift behind the bar or distributing leaflets.

If you can spare a hour or two to help the Committee so we can run more frequent events, please get in touch.
